The security guard was shot on the head and arm in a raid at a hotel in the provincial capital of Kunming. The victim is now in hospital and stable condition. It was not immediately clear who the thieves were and why they attacked the guard. News that a robbery had taken place at the hotel spread quickly on social media on Monday, inciting mass speculation that it was linked to drug trafficking. The incident comes as drug use is on the rise in China, with new government attempts to tackle the problem forcing record numbers of Chinese to seek help abroad. The Kunming police said the police were still conducting investigations and would provide further information. Overseas Chinese accounting for about 3 percent of the total population in China, but their rate of drug use is more than twice the national average, according to 2016 police figures. or please call iLiveDirect at (847) 676-2178 and we'll be happy to help you.

While much malpractice litigation is related to negligence that occurs during a surgery, other instances such as infections, medication errors, and missed diagnoses can occur within the medical profession. Medical malpractice can be the result of greed or negligence on the part of both the doctor or surgeon or the hospital – and sometimes both. Do you have an injury from a medical doctor, nurse or other health care provider? Nationwide, we have a growing number of clients who have been injured by a doctor. These injuries include infections, injuries from bedsores, and repetitive motion injuries. If you have been injured by a doctor who has charged for his or her services, you may be entitled to recover medical expenses, lost wages, and pain and suffering. If you have a case involving a hospital, medical corporation or other medical practice, you may be entitled to damages based on negligence. If you were injured during the delivery of a child, you may have a negligence claim against the obstetrician, nurse, or other medical professional who was present during the procedure. If you were injured by a doctor or nurse, you can make a claim for medical malpractice in Utah. Trust us to help If your loved one was harmed at a hospital, our trial attorneys in Salt Lake City, UT, will help you file a claim for damages.
